Here's what you say to your prospects: I am participating in the SuperFit Campaign organized by the NWA Fitness and Health Association. Very soon, I will be participating in a Pump n Run race taking place in Northwest Arkansas. I am going to attempt as many pushups/bench presses as I can without stopping to raise money for my chosen non-profit organization(s) and/or my participating school's Parent-Teacher Organization. I will run as fast as I can in the race so I can accomplish my Super Beast level of the SuperFit Campaign. The incentive is that every pushup or bench press done, 10 seconds or 20 seconds respectively will be taken off of my run time. My goal is to represent my school, my sponsors, and my chosen non-profit, but also to optimize my performance in the Pump n Run Race. I'd love for you to participate with me also! Details @ www.nwafitnessandhealth.com. Thank you for your support!!!
